Project Safe Church exists to train leaders to take action in response to the systemic crisis of abuse in the Seventh-day Adventist church. The Project involves training pastors and church leaders to create a visible reporting mechanism, as well as the ability to connect victims with trained practitioners.

Visit the [Project Safe Church website](#) for more information.

If you know of a student about to attend or is already on a public university campus in the Lake Union, you should reach out to the conference representative for help in providing an anchor in the young person's faith journey.
