PROJECT SAFE CHURCH

Project Safe Church exists to train leaders to take action in response to the systemic crisis of abuse in the Seventh-day Adventist church. The Project involves training pastors and church leaders to create a visible reporting mechanism, as well as the ability to connect victims with trained practitioners.

Visit the [Project Safe Church website](#) for more information.

If you know of a student about to attend or is already on a public university campus in the Lake Union, you should reach out to the conference representative for help in providing an anchor in the young person's faith journey.

This Month in History

"Dynamic evangelists T. Marshall Kelly (left) and E. E. Cleveland (right) are pictured here exiting Pioneer Memorial Church after leading a meeting during the Spring Week of Prayer at Andrews University, March 31 to April 6, 1968. Kelly and Cleveland jointly carried out the evangelistic series. When news of Dr. Martin Luther King's assassination in Memphis on April 4 reached campus, Cleveland recognized what the community would need. He held an impromptu memorial service that Friday afternoon, leading Andrews University in mourning as well as celebration of Dr. King's life."
