### Academy students recognized for

The Lake Union and North American Division's Office of Education believes that teaching young people to be actively involved in witnessing and service activities is central to the educational goals of the school and the mission of the church. For this reason, the secondary student Caring Heart Award for Christian service has been established to give recognition to those students who have demonstrated a personal commitment to active service and witnessing activities.

## Walking by faith

Dr. Youngjoo Kim was six years old when she personally experienced the existence and the abounding love of God. Kim had certainly heard faith stories since babyhood. About her paternal grandparents' early work with the Adventist message in Korea. About her grandmother planting churches everywhere she went. About the contagious faith of her own mother with the household workers who had been hired as non-Christians and retired as believers in Christ.

Now it was her turn.

# PROJECT SAFE CHURCH

**Project Safe Church exists to train leaders to take action in response to the systemic crisis of abuse in the Seventh-day Adventist church.** The Project involves training pastors and church leaders to create a visible reporting mechanism, as well as the ability to connect victims with trained practitioners.

Visit the [Project Safe Church website](#) for more information.

**If you know of a student about to attend or is already on a public university campus in the Lake Union,** you should reach out to the conference representative for help in providing an anchor in the young person's faith journey.
